

Dear Patient,

We would like to take this opportunity to welcome you to our practice and to thank you for choosing Kulmeet Kundlas to participate in your healthcare. We look forward to providing you with personalized, comprehensive health care focusing on wellness and prevention. As continuity and coordination of patient care are essential in meeting your healthcare needs, we work closely in a team approach to support your patient care.

Our office is open Monday through Friday from 8:00am-5:00pm. You can communicate with us 24/7 on our patient portal. We will be offering tele-medicine visits during off hours and weekends.

As your primary care physician, we work collaboratively with hospitals, nursing homes, home health, specialists, labs and diagnostic facilities to coordinate all aspects of our patient care including inpatient hospitalization and specialty consultation care, as needed.

Before you visit, please notify your health insurance company of your new primary care provider if required. We also request that you contact your previous physician and specialists and inform them we will be requesting copies of your medical records.

Please bring your health insurance identification card as well as a photo I.D. Please bring a complete list of all of your medications, as well as the strength and dose of each one.

Once again, we would like to thank you for choosing us as your primary health care provider. We look forward to working with you.

Sincerely,

*Shield Medical Group*
